SUPPLEMENTARY INFORMATION: This ICR seeks PRA authority for the Youth CareerConnect (YCC) Grant Program Participant Tracking System information collection. The reports include aggregate data on demographic characteristics, types of services received, placements, program outcomes, and follow-up status. Specifically, reports summarize data on participants who received core YCC program services, (i.e., program enrollment, retention and credential rates, placement services, and other services essential to successful outcomes for YCC

program participants). American Competitiveness and Workforce Improvement Act section 414 authorizes this information collection. *See* 29 U.S.C. 3224a.
